

Congratulations...you made it! Welcome to 6th grade and your last day of 5th grade at Nebinger. Get ready to make your mark! We hope you are as excited as we are to get the 2018-19 school year started. We are thrilled to be your teacher, and look forward to a fun and productive year together. Be ready to bring your "A" game. As a 6th grade student at Nebinger you will have many expectations and responsibilities.

In 6th grade, we will work hard to promote a tight-knit community amongst both cohorts. We believe in a safe environment. We will work hard all year long building a 6th grade that encourages risk-taking thinking, respect, trust, and a sense of ownership among students. To get started, we will need supplies to help us get to work. See below for the 6th grade supply list.

****Shared classroom supplies will be used by all students, along with the teacher-provided supplies. As beginning-of-the-year supplies begin to diminish, these donations will ensure that each student has the necessary supplies to excel in class for the entire school year. Please note- These shared classroom supplies are completely OPTIONAL. However, purchasing just one item from the shared classroom supplies list will be greatly appreciated by our class. Thank you in advance for your contribution!*
